

TSE/BSE Statement for Amyl Nitrite Inhalant USP

James Alexander Corporation's Amyl Nitrite Inhalant USP product is manufactured from synthetic or manufactured raw materials and do not contain any raw materials produced from, or substances derived of, animal origin. Our manufacturing process also does not use or incorporate any ingredient of animal origin. As such, JAC's Amyl Nitrite Inhalant USP would be free from Transmissible Spongiform Encephalopathy (TSE) and Bovine Spongiform Encephalopathy (BSE)
